DJ Lance was amazing at our wedding in Atlanta. Our reception was at King Plow and he completely rocked the house! Everyone raved about how much they LOVED our wedding and danced their butts off. Grandpa, friends, and family who never have danced at other weddings were out on the dance floor having the best time! He did a great job with introductions, and timeline transitions as well! We would 100% recommend Lance for any event!

DJ Lance is a true professional and WONDERFUL to work with! His music, his talent, and his attention to detail are 10 out of 10. When arranging a big, annual Gala, hiring someone in Atlanta, while planning the event from California, can be stressful. But Lance provided the swift communication, answers to my questions, and overall fantastic attitude that gave me confidence. I am thrilled I chose DJ Lance for our big Gala, and he came through with all of the fun, cool, great songs we had on our wish list. Not only that, but I found his own incredible song, LOVEHOPEDREAMACTION, on YouTube (also in Apple store), and I asked if he could play it at a certain point in our program. He graciously agreed, and it was a HUGE hit! And, not only is Lance a true professional (with so much gear, great lights- see photo of one of his wall washer LEDs, and high quality sound system!), he is a genuinely good person with an amazing heart. If you want the best, I say you want DJ Lance!

Positive: Professionalism, Quality, Responsiveness, Value

There's so much that goes into planning a wedding and there's so many things you have to worry about but finding the perfect DJ wasn't one of our problems! Lance was the absolute best choice for our wedding. The booking process was easy and Lance was responsive and professional throughout the entire process. We didn't have any issues picking our songs. Everyone literally danced until the end of the night! It was absolutely perfect! I would highly recommend Lance to anyone looking for a professional DJ service. You won't be disappointed!
